SOFÍA CELI

cryptography researcher and implementer

My professional objective is to develop amazing cryptographic tools that can be used in the real world.

experience

cryptography engineer
CLOUDFLARE

cryptography lead
OTR

cryptography engineer
DYNE

cryptography engineer
CENTRO DE AUTONOMIA

developer
THOUGHTWORKS

trainer
DEUTSCHE WELLE

portfolio

- sofía-celi-27704743
- github.com/claucece
- gitlab.com/cherenkov_d

skills

cryptography
research and implementation

languages
C, Golang, Rust, Objective-C

design
html, css, illustrator

education

computer science
UNIVERSITY OF LONDON

literature, journalism
CATHOLIC UNIVERSITY

classical music, guitar
NATIONAL CONSERVATORY

computer science
RAILS GIRLS SUMMER OF CODE
